

Feel The Difference

Your outdoor room is a wonderful place for creative expression. Finch gives you all the flexibility you need in style and designer color choices to finish off your fifth room with the perfect flourish. Our designers assembled their favorite color palettes to give you a confident running start on your color choices.

Finch is as American as it gets. Finch furniture is built in Lancaster County, Pennsylvania, by descendants of colonial American immigrants from Europe. The deep-rooted agricultural and religious values that built America are still the creed guiding Finch today.

While recycling may not have been a buzz word in the seventeen hundreds, the concept was fully employed as our ancestors used and reused the few resources they had. Today, common sense stewardship of the earth's resources still dictates that we should make the most of what we have. All the lumber used in Finch furniture is made from recycled plastics. Manufacturing waste is also recycled.

Finch products are the result of a relentless pursuit of excellence in outdoor furniture since 2003. Our strong warranty is our expression of confidence in your long-term satisfaction.

Why *finch* Flies High...

Mortis & Tenon Joinery
Mortis and tenon joints have been long respected in the fine furniture industry. The tradition continues in Finch furniture. Automated equipment guarantees a perfect fit in every joint.

Aluminum Frame Reinforcement
Unique floating frame design allows normal expansion and contraction needed for poly lumber.

Profiled Edges
All face edges are smoothly profiled for comfort and tasteful appearance.

Minimal Face Screws
All seating surfaces are free of unsightly and uncomfortable screw heads. 95% of screw heads are hidden on the underside or back of the piece.

Stainless Steel Fasteners
316 marine-grade stainless steel fasteners give optimum rust resistance even in salt water exposure.

Weather Resistant
Forget decay, discoloring, and mold. Finch poly furniture is engineered to withstand the elements of all four seasons and some of the harshest elements of nature: sand, sun and salt.

Color Combinations
Custom color combinations are a cinch with Finch. Order your favorite sports team colors, match your home's exterior or coordinate with your garden theme.
